HERE'S the POINT!

By SPENCE HELD

"Tuck in your tummies, stand tall, and sing from your hearts!"

That's what L. Deborah Smith, their smiling "Teacher," used to tell the girls in Treble Clef glee club at State College.

Well, about 30 alumnae took the stage in the college music auditorium Sunday afternoon to sing "Purple Mountains" by Grace Walker Allen, under Miss Smith's direction.

This climaxed a program dedicating a $15,000 pipe organ presented by the Treble Clef Alumnae to the college.

* * *

"Oh Aztecs, our homage rises O'er purple mountains, swift as the morning sun . . . "

It's a good song and I enjoyed hearing it again. The graying alumnae sang it brilliantly and from their hearts.

I was there for two reasons:

1—I am an old Aztec myself.

2—My wife, wearing a new red velvet coat she got for Christmas, was mistress of ceremonies.

Yeah, and as a dividend I encountered Ike Walton, a 6' 6" tackle from the 1920's, and we did a bit of reminiscing. His wife, Shirley, is the Treble Clef treasurer — she converted all those Government bonds the gals have been saving, to pay (cash!) for the pipe organ.

* * *

Mrs. George C. Jessop and Mrs. Clarence Myers staged a clever skit detailing the history of the organ fund . . . It was started 15 years ago, with money raised at concerts, rummage sales, etc., and I doubt that a men's group would have had the tenacity to carry it through to a successful conclusion in the face of World War II, the Korean War, rising costs, and other obstacles.

Mrs. Milford Ellison read the gold plaque dedicating the organ as "a tribute to our beloved 'Teacher,' L. Deborah Smith."

(Miss Smith was chairman of the college music department for many years.)

Mrs. Edward K. Pourade, 1957 president of the Treble Clef Alumnae Association, under whose leadership the organ was finally chosen and installed, was glowing as she introduced past presidents.

Miss Diana M. Quint played an organ suite she had composed titled "God in Nature."

* * *

Larrilyn Carr, daughter of Mr. and Mrs. Lawrence W. Carr Jr., and a Point Loma High graduate, is a junior at the University of Oregon.

She's the editor of the Oregon Annual . . . Her theme will be the '58 Rose Bowl game.

And what a theme!

Those Oregon boys (including a flock from California) needed no advance alibi from me or anybody else . . . They were fired up like Point Loma against San Diego High and outplayed a big solid Ohio State team.

Their blocking and tackling were tremendous; they had a varied offense that was a sheer joy to watch . . . If there's a better pass-catching college end than Ron Stover I'd like to see him.

So they missed a field goal by a foot or so and Ohio State kicked one . . . In my opinion Oregon was the better team that day and the Buckeyes were lucky to win.

Yeaaa, Oregon!

OPENING—Clyde H. Wood, right, Ocean Beach Chamber of Commerce president, cuts the ribbon across the door of the new O. B. branch of the First National Trust and Savings Bank. Holding the ribbon is Lamar H. Hunt, branch manager.—Rex & Ann Langdon photo.

O. B. BANK—This is the 19th and newest branch of the First National Trust and Savings Bank of San Diego which opened at 1919 Cable St. in Ocean Beach Monday. More than 2,000 visitors attended the opening.

First National Bank Opens O. B. Branch

The First National Trust and Savings Bank of San Diego opened the doors of its 19th office at 1919 Cable St. in Ocean Beach Monday.

Clyde H. Wood, O. B. Chamber of Commerce president, officially opened the bank at 10 a.m. by cutting the traditional ribbon stretched across the door of the modernistically-designed building.

Refreshments were served throughout the day to an estimated crowd of 2,000 visitors.

"Today," said Wood, "marks a step forward in the progress of this community. I am happy to welcome you to Ocean Beach on behalf of the Chamber of Commerce, and wish you all the success and good luck possible."

Lamar H. Hunt, assistant cashier and manager of the new branch, was introduced by Anderson Borthwick, president of the First National Trust and Savings Bank.

Hunt said: "Our aim is to provide complete modern and progressive banking service to the community."

A drawing for door prizes was held in the evening. The three lucky winners were Otie McAfee, 2715 Grand Ave., Mary R. Patitucci, 5056 Santa Monica, and D. M. Curran, 4467 Osprey.

Richard J. Waidzunas, former head of the bank's North Park Drive-In branch, is assistant manager of the O. B. branch.

Cecelia Dodge, secretary; Constance Moore, note teller; Carol Calvin, commercial teller, and Rosio Keagy, custodian, make up the staff of the new bank.

United Fund To Resume Drive

Campaign activities of the United Fund of San Diego County will be resumed starting next Wednesday.

Members of the United Fund's incorporators meeting yesterday morning at the San Diego Hotel finalized plans for the continuation of the drive seeking $3,353,678.

The campaign, which is raising operating funds for nearly 100 health, welfare and guidance services in the county, has collected slightly more than 2½ million dollars to date.

Not Complete

Rabbi Morton J. Cohn, drive chairman, said the results so far are "excellent," but not complete. "We have definitely been accepted as part of San Diego County community life," he said. "Proof of this rests with the fact that we have already raised more money than any single drive in our history.

"Success," he added, "will not be attained however until we raise an additional $850,000—the amount needed to carry on agency programs at the same level as last year."

To Concentrate

The continued drive will concentrate on some 1,000 firms and employe groups throughout the county that produced gifts through the now extinct United Success Drive, but that have not been heard from in the new United Fund.

Concentrated efforts will also be aimed at firms whose giving record shows no gifts to either drive. Prospects in other divisions falling in these categories will also be campaigned, Cohn said.

A reorganized effort to cover all residential areas not adequately campangned is planned, according to Mrs. Kenton C. Lint, Georgraphic Division chairman.

Campaign Teams

Present plans call for the continued drive to be manned by small campaign teams. The effort will be launched with a mass meeting and a series of smaller meetings designed to indoctrinate all campaigners.

Agencies throughout the county seeking funds through the United Fund are: Red Cross, Association for Retarded Children, Carlsbad Community Chest, Chula Vista Community Chest, City of Hope, Coronado Community Chest, Cystic Fibrosis, Epilepsy Society, Fallbrook Community Chest, Heart Foundation, Multiple Sclerosis Society, Myasthenia Gravis, National Recreation Association, Oceanside Community Chest.

Health Foundation

Also, Palomar Community United Fund (Escondido), Ramona Community Chest, San Diego Area Community Chest, Traffic Safety Council, United Cerebral Palsy Association and Cerebral Palsy Foundation of San Diego County, and the Vista Community Chest.

The Health Foundation of San Diego County, also included, has been organized by top lay and medical leaders to receive and disburse funds earmarked for the fight against the dread disease of heart, polio, cancer and muscular dystrophy.

WEE BIT O' SCOTCH

A "wee bit of bonnie auld Scotland" made its appearance in Ocean Beach on New Year's Eve. American friends of some Scotch families who recently came to San Diego were entertained at a "hogmanay" (pronounced HUG-ma-nae).

An old Scotch tradition, the Hogmanay begins at midnight. And, in the words of Bill (Scotty) Dalgleish, of Ocean Beach and formerly of Dunoon, Scotland:

"Someone with a warm heart toward the home and family comes over the threshold at midnight. He is called the 'first footer' and is usually the father or a close friend. He must be a brunet for that is the custom.

"The 'first footer' brings with him a lump of coal to symbolize a warm house all year and refreshments to show the family will be well-fed. He comes without animosity, as do all the other guests of the evening.

"Then the festivities start. There's singing, dancing and feasting. No one is turned away. Many friendships are renewed at hogmanays," Mr. Dalgelish continued.

"It's a good time to put your hand in the door of a person with whom you've had cross words. It's a fine old Scottish custom, and we Scots in Ocean Beach were happy to share it with our new American friends."

Long live the Scots—and hogmanay!

LIBLETS

Destiny shapes our ends, but our middles are of our own chewing . . . It's funny how these French poodles go for these American crewcuts . . . Are we jealous of Russia's launching the first "sputnik?" Heck, no! We're tickled to death they named it something we can pronounce . . . Marydee Hinricks (nee Clark) attended Ocean Beach Elementary School, Dana Junior High and graduated from Point Loma High and San Diego State College. The cycle was completed last year when she began her teaching career at Ocean Beach Elementary School. What next, Marydee?

READ AND LIKED

With the new year's beginning we liked Bernard Baruch's advice. "Periodic self-examination is something all of us need, in both private and governmental affairs . . . What have we learned that may help us avoid repeating the same old errors? The more we know of our own failings, the easier it becomes to understand other people and why they act as they do."

HI, NEIGHBOR

Dr. Gail Burnett, newcomer to Point Loma, found a tiny, knitted Christmas stocking hanging on the doorknob of her home. Inside was a note which read:

"To our new neighbor, this card extends:

1—Borrowing privileges(sugar, coffee, flour, what-have-I).

2—Eleven dozen cups of coffee on a moment's notice, gratis. (You keep count!)

3—Good will.

4—Friendship.

Signed: The neighbor across the alley."

Warning Issued On Chili Powder

The San Diego Department of Public Health yesterday warned against the possible presence in this county of one-ounce and three-ounce bottles of Gebhardt's chili powder accidentally containing ground glass.

Dr. J. B. Askew, director of public health, urged housewives to examine their seasoning shelves and discard any one-ounce or three-ounce bottles of Gebhardt's chili powder they might find. He urged grocers to clear their shelves of one-ounce and three-ounce containers of Gebhardt's chili powder at once and return it to their wholesaler for credit.

Department of Public Health sanitarians, he said, will visit all grocery stores and markets in the county and place under quarantine all one-ounce and three-ounce containers of Gebhardt's chili powder they may find.

Dr. Askew said the local Department of Public Health had been notified by the State Department of Public Health that some Gebhardt's chili powder had been shipped in one-ounce and three-ounce containers before it was known that the powder was possibly contaminated with ground glass.

The State Department of Public Health advised that the Gebhardt Co. and the Food and Drug Administration were trying to recall all chili powder that might be contaminated.

The Food and Drug Administration, Dr. Askew said, had asked the cooperation of the San Diego Department of Public Health in taking off the market all one-ounce and three-ounce containers of Gebhardt's chili powder that can be found and in warning housewives of the possible danger that exists.

Pickle Curry Sauce Livens Rock Lobster Tails

BY DOROTHY MADDOX

NOW is the season for parties and new ways of serving good food. The tang and flavor of pickles in special sauces for fish and sea food is something to be happy about.

So take a look at these recipes and see if they don't appeal to you. Wonderful with boiled or broiled South African lobster tails which are available in the frozen food case of your local supermarket.

Pickle Curry Sauce (about 1 cup)

One half cup butter or margarine, ¼ cup sweet pickle liquid, ¼ cup chopped sweet mixed pickles. 1 teaspoon curry powder.

Combine all ingredients. Cook over low heat for 10 minutes, stirring occasionally. Serve over hot lobster tails.

Pickle Hollandaise Sauce (about 1 cup)

One 6-ounce bottle prepared Hollandaise sauce, 2 tablespoons sweet pickle liquid, ¼ cup chopped sweet gherkins, 1 teaspoon grated onion, 1 teaspoon prepared horseradish.

Combine all ingredients. Heat to serving temperature over low heat, stirring constantly. Serve with lobster tails or boiled white fish.

Whether boiled or broiled, rock lobster tails taste twice as good when flavored with pickle curry sauce.

Pickle Tomato Sauce (about 1¼ cups)

One 8-ounce can tomato sauce, ¼ cup dill pickle liquid, ¼ cup chopped dill pickles, 1 tablespoon sugar, ½ teaspoon salt.

Combine all ingredients. Cook over low heat 10 minutes, stirring constantly. Serve with lobster, shrimp or boiled or broiled fish.

HEALTH FOR ALL

You're all worn out from the holidays? You think a good rest is what you need? Stop. Don't flop on that couch. Get out and take a brisk walk around the block.

Sound crazy? It's not. More and more doctors are prescribing exercise for fatigue. For a long time they used to treat fatigue by having the patient cut out some activity, no matter how little he was doing. If he did nothing more than sit in a rocking chair all day, the doctor told him to stop rocking and lie down.

That's all changed now..Doctors have found that fatigue as often as not is caused by lack of activity. They call it "atrophy of disuse."

Young people usually avoid this condition and keep in good shapes by taking part in sports. But as we grow older we tend to give up more and more physical activity. Caught in this vicious circle, we can become old and worn out before our time.

We can blame part of the trouble on labor saving devices our ancestors didn't have. The electric golfmobile, for example, may be fine for heart cases and similar problems, making it possible for the semi-invalid to get some exercise. But for the average man it can destroy most of the health-giving value of his day on the golf course. He'll feel less tired if he does eighteen holes on his own two feet.

So if you feel exhausted after a hard day of sitting behind a desk or loading your automatic washer, exercise may be the prescription for you. But remember, it should be fun, not drudgery.

Feb. 4th Deadline For Renewing Auto Registration

Department of Motor Vehicles officials urge motorists to apply for 1958 vehicle registration renewals early before the penalty deadline of Feb. 4.

When owners submit fees with the prepared registration renewal cards mailed statewide recently, the service is rapid. By applying in person you leave the office with your 1958 green sticker for the cars rear plate and with the new registration card for display in your vehicle on the steering post.

Paul Mason, director of motor vehicles, emphasized that the statement cards must be presented complete. The stub must not be detached from the main card before fee payment. He also advised that the new 1958 green sticker should be attached to the rear license plate to cover the old red 1957 sticker.

The area should be clean and dry when the new sticker is applied, and it may be well to warm the plate briefly with the palm of the hand before attaching the sticker.

Renewal service is offered at the Ocean Beach Branch, Bank of America.

Bible Comment:

Christ's Triumphs Over Temptation Gives Us Strength

THE three temptations of Christ have a symbolic aspect. They correspond to the temptations which come to the greatest and the strongest.

The temptation in His hour of hunger to turn stones into bread was the temptation to use His power for material and personal ends. It is the lure to which many great men have succumbed. Their failure to overcome the temptation has meant the giving of their lives for self and self-aggrandizement instead of for God and humanity.

The second temptation to cast Himself down from the pinnacle of the temple was the temptation to allow personal vanity to supplant the consecration of His powers to high and noble ends.

The third temptation, possibly more intense than either of the other two, was the temptation to achieve world power and grandeur to the disregard of conscience or any higher way of life.

On may say that the devil didn't have the power to give Christ rule over the world, but that is to miss the reality of the temptation. For this temptation comes from the consciousness of power and the significance of it is in some misleading voice of assurance that one can achieve earthly mastery. Isn't this exactly the temptation that destroyed Napoleon and many others, of whose ability there could be no doubt? They sold themselves to the lust of world domination only to achieve their own destruction.

Christ conquered these characteristic temptations. The sense of His divine mission triumphed over every earthly allurement. In the hour of His spiritual conquest, angels came and ministered to Him. He went forth to His mission under the power of God.

It is the power of His conquest that gives men faith and strength to win out over sin and its false promises.

CHRISTIAN SCIENCE COMMUNION SERVICE

Communion will be celebrated by all the congregations in the Christian Science churches on Sunday. The occasion is one of the regular Communion Services held by the churches with the Lesson-Sermon for the day entitled "Sacrament."

David's reverent prayer from the 139th Psalm (23, 24) will be read during the service, "Search me, O God, and know my heart: try me ,and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting."

Needless medical and hospital care means wasted insurance and eventual increase in premium payments on health insurance programs. Write to the Better Business Bureau, Spreckels Building, San Diego, for a free copy of "Your Health Insurance Package—What You Should Know About It."

United States automobile factories produced 6,593,023 cars, trucks, and buses during the period from January 1 through November 30 this year, according to the National Automobile Club. This compares with a production of 6,252,361 units during the same period of 1956.

Top Dogs To Run At Caliente

AGUA CALIENTE — Marked by several new features, a special winter racing season will be launched at the Caliente Greyhound Club Friday night and continue through March 16 with programs being offered three nights weekly.

All the leading dogs which performed here during the successful 1957 meeting will be on the grounds, the management having retained 17 top kennels with more than 400 greyhounds. Most of the kennels have been strengthened by the addition of a number of new pups as well as experienced runners.

For the inaugural three-day weekend gates are being opened to the public, with no admission charged, and patrons will be able to view the action from three glass-enclosed areas. The main floor and mezzanine already were protected from the elements, and now the new club room atop the grand stand has been glassed.
